

# CEDAR SPRINGS PUBLIC SCHOOLS BOND PROPOSAL IMPROVEMENTS

## MAIN CAMPUS

PLEASE  
VOTE

NOV  
5

Looking to the future of Cedar Springs Public Schools, the Board of Education is asking the community to vote on a school bond proposal on the November 5, 2019 election ballot. If the bond proposal is approved by voters, it would provide \$81,150,000 for district-wide improvements.

Improvements at the main campus would include:

### LEARNING ENVIRONMENTS

- Constructing a new eighth-ninth grade building which would alleviate capacity issues at the High School and provide an age-appropriate transition from the Middle School to the High School
- Demolishing the existing 1960s academic wings at Beach and constructing new, modern classrooms to support 21st century learning
- Relocating preschool and early childhood programming from Cedar Trails to Red Hawk to provide additional space for current Kindergarten and 1st grade students and allow for future student population growth and alleviate current capacity issues
- Creating a Community Center at Red Hawk
- Upgrading educational technology and classroom multimedia, as needed

### BUILDING AND SITE IMPROVEMENTS

- Upgrading mechanical systems and building management systems for energy efficiency
- Investing in critical capital improvements – boilers, unit ventilators, roofing, as needed

### SAFETY AND SECURITY

- Completing remaining secure building entrances at schools that currently do not have them
- Improving traffic flow, parking, and sidewalks at select locations on campus
