Stop the Silence. Help End the Violence.

A **CONFIDENTIAL WAY** for students
TO REPORT anything that threatens
their safety or the safety of others.

PURPOSE

OK2SAY encourages confidential tips on criminal activities or potential harm directed at students, school employees, and schools.

BREAKING THE CULTURE OF SILENCE

A Secret Service study found that in 81% of violent school incidents, someone other than the attacker had knowledge of the plan, but failed to report it because of fear or retaliation or being labeled a snitch.

To eliminate that fear and help break the code of silence, the tipster's identity is confidential.

Nearly **5,000 OK2SAY TIPS** were filed the first two years.
