

K-8 RHO Parent Teacher Conferences

Conferences for our online students will take place remotely via Zoom during the same week as their in-person counterparts. Information about signing up, format, and timing will be sent out by your child's teachers for specific links and procedures.

In an effort to make time each parent to be able to meet with their child's teacher(s), conferences will need to stick to the timeframe in which they are scheduled. If more time is needed, please email the teacher about arranging a time and method of communication.

iReady

Prior to conferences, iReady reports will be delivered in the mail. Please watch [this video](#) about iReady testing and reports. It helps provide insight on the value of the assessment as well as how to set-up an [ideal environment](#) for administering the test at home. While this is just one of the pieces of data that will be used to tailor instruction to the needs of your child, it's beneficial to understand its role. We'll take the iReady two more times throughout the year to be sure we continue to meet the updated needs of your learner.

K-8 RHO Evening School Picture Option

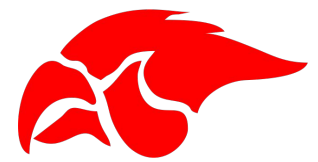

Great news! Mrs. Kostus secured an evening option for school pictures. They will be Thursday, October 22 from 5:30-7:15 at Red Hawk Elementary in the cafeteria.

Masks will be required to enter the building. Forms will be handed out for the ability to order pictures online and have them sent to your home. For those who already took pictures, we'll let you know how to receive them when they are delivered.
