8th Grade Report Cards

For students taking Graduation Alliance courses (Algebra I, Spanish I, and Health), Q1 grades will be a progress report for what their scores were at the end of the marking period. For the second marking period, there will be no Q2 score. They will receive a grade for the semester, which is the overall grade for the course. If you'd like to keep track of your child's performance, please check their standing in the GA website.
