OCTOBER 7: ALL STUDENTS MUST COMPLETE ONE ASSIGNMENT IN EACH REGISTERED COURSE ON OCTOBER 7

When Your Child's Teacher Is Absent

As is the case with in-person learning, there will be days when your child's teacher is away from the classroom. On days when a teacher is absent, you will receive an email prior to their scheduled start time with the procedures for that day. While the lessons may not be offered synchronously, students will still progress through the curriculum.

K-5 Workbook Update

Student workbooks for RHO students have arrived and are available for pick-up at District Office (aka Hilltop) from 7:30 am-3:30 pm Thursday, September 24 through Wednesday, September 30.

For those who picked up workbooks at device pickup, there will be some additional texts that were not available at that time. For those who were unable to pick up workbooks, or if supplies were not available when you came, you can pick up all of the first semester materials at this time.

Parents of kindergarteners, first graders, second graders, third graders, and fifth graders will park in the top parking lot, then enter the building to get resources. Please be sure everyone is wearing a mask.

Fourth grade parents who are still in need of workbooks will be contacted by their child's teacher.
